When Fogelson joined STX, he took a salary a quarter the size of his compensation at Universal but he also received equity that in success will be worth many times that. Archived from the original on 13 January 2012. Fogelson knows early in development what the sell of a movie is and he shapes the film accordingly. Archived from the original on 19 October 2012. Marketing and distribution weigh in on whether they can sell and disseminate the film and then after totting up expected costs and examining comps the receipts of comparable films the executives build a spreadsheet showing a range of outcomes. And indeed because Chan is a huge star in China the governments film board decided to count him as Chinese. The Chinese market required constant attention. That's when corporate timidity gave way to terror he said. "Darrling" song in Saat Khoon Maaf inspired by Russian song 'Kalinka'.
